4. CONSENT AGENDA

All items listed are considered to be routine by the City Commission and will be enacted by one motion. There will be no separate discussion of these items unless a Commission member or citizen so requests, in which event the item will be removed from the Consent Agenda and considered in its normal sequence on the agenda.

a. Approval of Airport Leases.

1.#92.03	Papa's Properties, LLC	\$2,384.91	1Year.
2.#124.00	Crown Consulting, Inc	\$1,972.31	1Year.
3.#51.05	Lyddon Aero Center	\$80.54	4Mo.

b. Approval of Board Minutes.

1. Seward County Emergency Communications Board Meeting.

5. CDBG-CV Business Application.

6. Bus Camera Bid Award.

7. Tree Cost Share Program Spring 2021.

8. **Indoor Golf & Interactive Sports Simulator/Shooting Sports Simulator.**

a. Accept donation from National Beef for \$50,000.

b. Purchase two simulators from Sports Entertainment Specialist for \$42,150.

9. Floor Project Bid Award.

10. **Emergency Repairs – Airport Fire Station Garage Doors.**

11. CITY STAFF

12. CITY MANAGER'S REPORT

13. ITEMS FROM CITIZENS

Rules of the Commission: Any citizen desiring to address the Commission shall be recognized by the Chair, advance to the podium, state his/her name and address in an audible tone for the record. Presentations shall be limited to five (5) minutes unless extended by a vote of the majority of the Commission. The Commission does not hear matters involving litigation or City Personnel. The Commission does not take action on subjects not on the agenda unless unusual or hardship conditions exist. Citizens may address the Commission on agenda items as they are brought to the floor.

14. ITEMS FROM GROUPS:

15. ITEMS FROM COMMISSIONERS

16. VOUCHERS

◆ **ADJOURNMENT**

THE REGULAR MEETING OF THE LIBERAL CITY COMMISSION

January 26, 2021

The regular meeting of the Liberal City Commission was held at 5:30 p.m. at City Hall located at 324 North Kansas on Tuesday, January 26, 2021.

Commission Present: Mayor Taylor Harden, Vice Mayor Tony Martinez, Chris Linenbroker, Connie Seigrist, and Ron Warren.

City Staff Present: City Manager Cal Burke, Finance Director Chris Ford, City Clerk Alicia Hidalgo, Deputy City Clerk Magaly Lopez, Grants Director Karen LaFreniere, Fire Chief Kelly Kirk, Deputy Fire Chief Skeety Poulton, Fire Marshal Cody Reiger, Water Director Jose Rosales, Code Enforcement Dallas Ryan, Director of Recreation Matt Quint, Judge Jason Maxwell and City Attorney Lynn Koehn.

Mayor Harden called the meeting to order. Deputy City Clerk read the roll call and declared a quorum present. The Pledge of Allegiance was recited, and Pastor Kevin Alexander gave the invocation.

1. Awards/Proclamations/Presentations

2. Approval of Agenda.

Mayor Harden requested approval of the agenda.

Mayor Harden Amends item #7 should read January 26th, 2021

Commissioner Warren moved to approve the agenda correction as presented, with Commissioner Seigrist seconding the motion. The motion carried unanimously.

3. Approval of Minutes.

Commissioner Seigrist moved to approve the minutes of the January 12, 2021 regular meeting, as presented, with Commissioner Linenbroker seconding the motion. The motion carried unanimously.

4. Consent Agenda.

a. Approval of Airport Leases.

1. #C-18.01	City Building Maintenance	\$3,077.40	1 Year.
2. #C-18.05	City Water Department	\$11,045.41	1 Year.
3. #43.01	FedEx Freight, Inc.	\$3,074.90	1 Year.

b. Approval of Board Meeting Minutes:

1. Liberal/Seward County Emergency Communications Board Meeting 10/16/2020.

Mayor Harden inquired if the Commission wished to remove any items for further discussion.

Commissioner Warren moved to approve the consent agenda as presented, with Commissioner Seigrist seconding the motion. The motion carried unanimously.

5. Arkalon Grazing Lease.

- Code Enforcement Dallas Ryan - The original grazing lease you guys looked at during the last meeting said \$25 per calf/cow pair and it should have read \$20 per calf/cow pair.

Commissioner Warren motions to rescind the previous lease, with Commissioner Seigrist seconding the motion. The motion carried unanimously.

Commissioner Warren moved to approve the new lease with the correct information as presented, with Vice Mayor Martinez seconding the motion. The motion carried unanimously.

6. Resolution No. 2348.

- Mayor Harden- This Resolution extends the previous Mask Resolution for another 45 Days before it can be discussed again.

Commissioner Seigrist moved to approve Resolution No. 2348 as presented, with Commissioner Warren seconding the motion. The motion carried unanimously.

7. Resolution No. 2347- A Resolution Authorizing the Submittal of The Bureau of Justice Assistance Adult Drug Court Grant.

- Director of Grants Karen LaFreniere- This grant we are applying for is up to \$500,000 thousand dollars, we don't have the specific numbers yet. We are requesting for you to let us apply for that. There will be matching funds and that will be \$125,000.
- Commissioner Warren- Matching funds from us?
- Director of Grants Karen LaFreniere- The matching funds are from special alcohol tax. We are going to request the grant for four years.
- Commissioner Seigrist- Does this go to the Haven house?
- Judge Maxwell- The grant covers a number of things one of those being the Oxford house. It's not designed to address it exactly. We are working with the Southwest Guidance Center to help us with this they have a person who is addressed to help on this directly. This is for people who start the process of drug court get them ready to start their process. This does not help the Oxford house directly but it contributes.

Commissioner Martinez moved to approve the Resolution No. 2347 authorizing the submittal of The Bureau of Justice Assistance Adult Drug Court as presented, with Commissioner Linenbroker seconding the motion. The motion carried unanimously.

8. CDBG-CV Business Applications.

- Director of Grants Karen LaFreniere- I have received an application from M builder's and they meet the requirements and according to CDBG regulations.
- Mayor Martinez- Isn't this for lower income?
- Director of Grants Karen LaFreniere- The employees must be low income.
- Commissioner Warren- So low modern income for employees.
- Director of Grants Karen LaFreniere- Yes
- Commissioner Warren- I feel like if we pass this every construction business would come apply to this I don't think it should happen. Construction businesses were not shut down. I don't think this would fit into COVID.
- Vice Mayor Martinez- So would we need more information?
- Mayor Harden- You guys can table it for the next meeting or just deny.
- Commissioner Warren- I would be more acceptable to other workers like healthcare. It's better use of the money.

Commissioner Warren moved to deny the CDBD-CV grant request as presented, with Vice Mayor Martinez seconding the motion. The motion carried by a 4 to 1 vote with Commissioner Linenbroker against.

9. 2nd Street Bid.

- City Manager Cal Burke- We have talked about replacing 2nd Street for some time, the water line is new from Kansas all the way to Western and what we did it's a complicated bid it was a base bid including draining we broke it into three phases. Staff recommends we go with the base bid
- Vice Mayor Martinez- This covers all three phases?
- City Manager Cal Burke- Yes it does. Its 410 days to complete we are dumping another million for 2021 we would only be \$300,000 short. In the mean time we can take that 3 million off the street and drainage. This will also cover the drainage on Clay and Second and cover Roosevelt.
- Mayor Harden- What is the strategy?
- City Manager Cal Burke - It will be done in phases. We will discuss this in the precon. We hate to start in the middle but I recommend for the drainage first.

Commissioner Martinez moved to approve Vogt's Parga \$4,154,177.63 bid as presented, with Commissioner Seigrist seconding the motion. The motion carried unanimously.

10. Adventure Bay taking over Southwest Aquatic Team.

- Director of Recreation Matt Quint- I'm here to discuss possibly taking over the SWAT they approached us a few months ago they are struggling to maintain staff. A lot of the life guards we have, have gone through this team and we feel as a staff this is a huge program we can not lose in the community.
- Vice Mayor Martinez- How would this be paid?
- Director of Recreation Matt Quint - We have to work with the college because it's a year long program. All the funding would go through the Rec Department under the Adventure Bay budget. There is a fee to sign up which would help us with cost as well.
- Commissioner Warren- We wouldn't be losing profit?
- Director of Rec Matt Quint- Yes it balances
- City Attorney Lynn Koehn- The last page has a cost written down.

Commissioner Martinez moved to approve Adventure Bay taking over the Southwest Aquatic Team as presented, with Commissioner Seigrist seconding the motion. The motion carried unanimously.

11. McCray Pool.

- Director of Recreation Matt Quint - You have a list of assets of the pool wants to donate to the City of Liberal.
- City Manager Cal Burke- Just to advise you that \$4,800 their filter and coordinator is in bad shape Matt is looking at replacing it with a salt generator.

Commissioner Seigrist moved to accept the assets from the McCray Pool as presented, with Commissioner Warren seconding the motion. The motion carried unanimously.

12. Replacement of filtration tanks at Adventure Bay Waterpark.

- Director of Recreation Matt Quint - Now I know its snowing outside but we have to think about the waterpark still. We have had some issues at the bay over the last couple years we have leaks on the tanks. We have just been putting bandages and our welders have done a great job but seems like when we fix one, another appears on the other side. We have looked at two filters. United Industries have a 15-year warranty which is the good thing.
- Commissioner Warren- how old are the filters?
- Director of Recreation Matt- 20 years old.

- Commissioner Seigrist- Is this a budgeted item?
 - Director of Finance Chris Ford- This is from one cent drainage.
 - City Attorney Lynn Koehn – What about warranty? Do you guys test the filters?
 - Director of Recreation Matt Quint- Yes, we do every hour and a half.
- Commissioner Warren moved to approve the purchase for new filtration tanks in the amount of \$31,756.00 from United Industries as presented, with Commissioner Harden seconding the motion. The motion carried unanimously.*

13. Purchase of two new pickups- Water Department.

- Director of Water Jose Rosales- We want to purchase two new pickups. The trucks are budgeted for this year. We would like to buy a 1-ton truck and a ½ ton. The 1-ton will be used to pull the mini ex trailer and the ½ ton will go into our fleet. These trucks will replace unit 26 and unit 128. We would like to go with Chrysler Corner as they were the lowest bid on both trucks bringing the total to \$50,161.
 - Director of Finance Chris Ford- we did review the State of Kansas Purchase contract and it does go. I could not find a ½ ton.
- Commissioner Martinez moved to purchase a 1-ton pickup for the amount of \$29,715.00 and a ½ ton pickup for the amount of \$20,446.00 from Chrysler Corner as presented, with Commissioner Seigrist seconding the motion. The motion carried unanimously.*

14. Inflatable Fire House.

- Fire Marshal Cody- Something I would never though I would ask for. I want to ask for a bounce house for the fire department. This would replace the smoke house. This would work perfect for us. This would stay within the city the trailer can be used to put anywhere. Karen has been working 2 years on this project. We got an email about it and we gave it to Karen and well it happened and we are requesting permission to purchase there are no other bids this is the only vendor.
 - Vice Mayor Martinez- Thanks Karen for getting 6k for this.
- Commissioner Seigrist moved to purchase inflatable fire house from Boulder Blimp for the amount of \$9,100.00 as presented, with Commissioner Linenbroker seconding the motion. The motion carried unanimously.*

15. CITY STAFF.

- Deputy Fire Chief Skeety Poulton- We ended the year with 1400 calls. We had a bit of the drop and I think this contributed to COVID and people not being able to go out. This averages 4 calls a day. We did lose a million and that was from the toot n' totum fire. During COVID we hardly had time to go out again. With some of the COVID funds we were able to a system where the firefighters can get logged in and train through the computer whether it's at home or at work. We are now letting them come and train in person again. How many inspections did you do?
- Fire Marshal Cody Reiger - 800 or 900. We are focused on the fire extinguishers right now.
- Mayor Harden- It was a terrible year, but you guys did an awesome job.
- Deputy Chief Skeety Poulton- we still have three spots open. We want people with training at least the EMT. We hope to get someone soon and be able to keep them.
- Vice Mayor Martinez- what can we do to keep them here?

- Deputy Chief Skeety Poulton- We would need higher salaries. That's what's keeping us from keeping our guys there's other Cities paying higher salaries.
- Fire Chief Kelly- Also in 3 to 6 months we will have the results on that ISO score. I don't think we will go up but I'm sure we will keep the 3.

16. CITY MANAGER REPORT

- City Manager Burke- The worked we approved on the rec center we have started on it we have discovered an issue. We will probably not have to extend that fire wall. It was not a fire wall and maybe we will be able to save us some money. After that we will go for bids on the Commission Chambers. Addition to the rec center we are having a robotics program and that will help Bob to expand the robotics program. It will have more crowd in the Rec Center that will give us a good non-athletic activity. Also, Jose took off on me but Jose has taken my old position as Utility Director because the internet at the wastewater is hardly works. Tim is going to be working on that we will bring that to you in the near future. Kenny, I can't think of anyone else who would want to run that including me. So, I'm letting him concentrate on having that running. Thanks to Jose for stepping up.
- Mayor Harden- Congrats to Jose for the promotion.
- City Manager Cal Burke - I'm really proud of our staff. I'm proud of them for saying they don't need a pat on the back.
- City Clerk Alicia Hidalgo- Do you guys want a special meeting for that policy manual?
- Mayor Harden- Do we want to select?
- Vice Mayor Martinez- When are we planning this?
- Mayor Harden- Let's do it before the next commission meeting? What day can we do it?
- Mayor Harden- February 2nd 10am at City Hall for special meeting discussing HR policy Manual.
- City Manager Burke- The KSCB show? Could we discuss some of the rules?
- City Attorney Lynn Koehn- You could review that and then discuss it wither when she's here.

17. Items from Citizens.

Mayor Harden read the rules of the Commission and requested members of the audience approach the podium to address the Commission. (No items were presented.)

18. Items from Groups.

Mayor Harden read the rules of the Commission and requested members of the audience approach the podium to address the Commission. (No items were presented.)

19. ITEMS FROM COMMISSIONERS.

- Mayor Harden- Just to remind the people that the next 45 days will continue into effect the main issue we had this week was that after the adult prom people are mad because we don't have rentals open. Outside of that thank you to all the city staff. I'm glad you guys had your department meeting without us. Continue to reach out to the commission. Feel free to contact us. Thanks to the county commission.
- Vice Mayor Martinez- I noticed today that the sign was up for the Rec center its looking good and I've seen the roll offs there. My question is can we do something about the parking lot on Grant because it gets packed. It's a safety issue as well because of little kids. It's a good

problem to have at the same time it means people are going out there. We had some potholes that people complained about and Chuy got on it so good job to him.

- City Manager Calvin Burke- We will be looking into that with Pete. Thanks for letting us know when there's problems on alleys because they just pop up so we appreciate the input.
- Commissioner Warren- I want to thank the staff for doing their job.
- Commissioner Seigrist- Thanks the Rundell foundation. I'm excited for the fire department and the purchase for the fire bouncy house. I know we can't thank people but thanks to everyone that works for the city.
- Commissioner Linenbroker-

20. VOUCHERS

\$3,310,914.11 dated January 26, 2021.

Commissioner Warren moved to approve the vouchers, as presented, with Commissioner Linenbroker seconding the motion.

The motion carried unanimously.

The meeting was adjourned by Mayor Harden.

Taylor Harden, Mayor

ATTEST:

Magaly Lopez, Deputy City Clerk

THE SPECIAL MEETING OF THE LIBERAL CITY COMMISSION
February 2, 2021

The special meeting of the Liberal City Commission was held at 10:00 a.m. at City Hall, located at 324 North Kansas Ave on Tuesday, February 2, 2021.

Commission Present: Mayor Taylor Harden, Vice Mayor Tony Martinez, Chris Linenbroker, and Connie Seigrist. Commissioner Warren was absent.

City Staff Present: City Manager Calvin Burke, Finance Director Chris Ford, City Clerk Alicia Hidalgo, Deputy City Clerk Magaly Lopez, Director of Public Grounds Brad Beer, Director of Economic Development Cindy Wallace, Director of Recreation Matt Quint, Director of HR Bruce Whittington and City Attorney Lynn Koehn.

Mayor Harden called the meeting to order. Deputy City Clerk read the roll call and declared a quorum present. The Pledge of Allegiance was recited.

- Mayor Harden states agenda will be amended to add signature authorization page and the request for source funding for projects.

Vice Mayor Martinez motioned to amend the agenda to add signature authorization page with Commissioner Seigrist seconding the motion. Motion carried 4-0 with Commissioner Warren absent.

Vice Mayor Martinez motioned to grant permission for source funding for projects discussion with Commissioner Linenbroker seconding the motion. Motion carried 4-0 with Commissioner Warren absent.

1. Approve Signature Authorization for East Industrial Park Land Sale Deed.

- Director of Economic Development Cindy Wallace- American Title needs something in writing from a City authorized official to sign deed for the sale of land at the industrial property. The sale of Lot 13 of Lot 1 to Croell.
- City Manager Cal Burke - Does it matter if I sign some papers then Taylor signs some other ones?
- City Attorney Lynn Koehn- No it doesn't.

Vice Mayor Martinez motioned to approve the signature authorization with Commissioner Linenbroker seconding the motion. Motion carried 4-0 with Commissioner Warren absent.

2. Request for source funding for projects.

- City Manager Cal Burke - Jose has identified some problems in water lines we need to address. Are about 4 million-dollar projects and it's not enough to do this and what we have talked about is looking at some finance resource and it would come out of the source still but we want some permission to look at options with Chris. We have also addressed the south middle parking lot as an issue too. Brad is putting together a concept so there is parking on that side by the rec we don't have a dollar amount yet. If the softball/baseball complex we are looking to replace the shed. We are thinking of putting a drain there and running it to cane creek once we replace that we want to fix the parking lot. We would like to make one big parking lot giving about 200 to 300 cars more

if we remove the maintenance building. Chris is going to look out for sources to help us build a 5-million-dollar project.

- Mayor Harden- Are we trying to finance all of it together?
- Director of Finance Chris- more than likely we are trying to get ...
- Vice Mayor Martinez - we like to stay away from GO bonds but is that a problem?
- City Clerk Cal Burke - yes, we have thought about GO bonds. Brad
- Director of Public Grounds Brad Beer- we have two mowers and 5 tractors and
- Mayor Harden- all we are looking for a consensus of approval for what funding there is for future projects.

No motion taken a vote by hand was taken. 4-0 with Commissioner Warren absent.

3.. Home Show Discussion.

- City Manager Cal Burke- Our rental building is shut down and what we are looking at is making it a home venture and we are interested
- Director of Rec Center Matt Quint - you know the activity center is shut down for now I think until March so Cheryl came down here about the stuff they were needing. And we are open to the idea about having it at the rec.
- Mayor Harden - I think we could let them do this
- Vice Mayor Martinez- This is pretty much a backup?
- Mayor Harden- The is shut down until further notice.
- City Manager Cal Burke- they backed the date, up right?
- Director of Rec Center Matt Quint- They just want to know if the commission is opened to the idea.
- City Manager Cal Burke- we could draft something out
- City Attorney Lynn Koehn- something you would have to look at is would we have the rec open to rent the rec department because people will come back later asking if they could rent the place as well.
- City Manager Cal Burke- this is why we are calling it a joint venture. Its mostly a city event.
- City Attorney Lynn Koehn- I'm just asking what could happen in the future. If you want to do that you could write some perimeters. If you make this a joint venture just think about it and decide I think it's a great event.
- Mayor Harden- What quarter of the year are we talking about?
- City Manager Cal Burke- original dates are the first week of the March.
- Mayor Harden- Well all of our other rental facilities are closed down so we have to keep that in mind.
- Commissioner Seigrist- I'm concerned about the gym floor. We need to invest in the proper things.
- City Manager Cal Burke- you have looked at that right?
- Director of Rec Center Matt- Yes, we have looked at the carpets and anything like that.
- Commissioner Seigrist- we need to look at something more permanent
- Mayor Harden- we should encourage that and it would be great for a rental facility.
- City Manager Cal Burke- We should stay in control and it is tax payer's money if we are part of the event.
- Mayor Harden - How soon will we know where we will stand in March? Are we asking for a consensus for?

- City Clerk Alicia Hidalgo- We did.
- Mayor Harden- If she wants to come in she can if not we could
- Commissioner Seigrist- We do need some rules in place first before anything like that
- Mayor Harden- so could we have those discussions then have it on Tuesday's agenda and
- Director of Rec Center Matt Quint- in two meetings.
- City Clerk Alicia Hidalgo- First meeting in March.
- City Attorney Lynn Koehn- is Cheryl between having it there or where?
- Mayor Harden- I think the Activity Center will be used by them so I don't think it will be. Can we give Matt approval to search?

No motion taken a vote by hand was made. 4-0 with Commissioner Warren absent.

4. HR Policy Manual Discussion.

- City Manager Cal Burke- So we have made changes to the policy book the HR people worked with Lynn to put it together and cover it. We could shorten things up and keep simpler. Correct Lynn?
- City Attorney Lynn Koehn- Yes, we could violate our own policy and the City does so if we modify it at a time when at basis then we could keep things in place.
- City Manager Cal Burke- This policy was adopted from SHRM which is similar to the league one.
- Director of HR Bruce Whittington- we needed an update and correct the format because it has not been updated since 2002. The format was hard to correct. We went with SHRM because its data basis and it can be changed online with Word which makes it easier to make changes. The League has stuff similar as well and it's a format that allows you to add format but its not data based so it wouldn't let you make instant change. It's still being worked on.
- City Manager Cal Burke - Lynn has reviewed this.
- City Attorney Lynn Koehn- We did go over the drug testing. There are portions I went specifically over with Bruce. Whatever you adopt everyone has to follow them. Random drug testing was one of them because there were some reasons not following the law and those cost the city more money.
- City Manager Cal Burke - we still have drug tests for accidents and stuff like that. If you have any issues we could correct right now.
- Director of HR Bruce Whittington- The changes are made instantly.
- City Manager Cal Burke - Which that made the old one a nightmare. The format was messed up and if something was deleted or added it would shift everything.
- Director of HR Bruce Whittington - the language isn't too descriptive but the old one had way too much detail that wasn't necessary.
- Mayor Harden- this one was more generalized than the old one.
- City Manager Cal Burke- it has more common sense
- Mayor Harden- Section 3- 11 sick time. Due to what has happened this year or not. Having 6 days might be something to look at and if its
- Director of Public Brad Beer- in your defense Taylor with the COVID we should take a look at that because 6 days does go by fast.

- City Manager Cal Burke- with COVID we have tried to fix this just in case of having people leave. It would be up to the department head. This was being abused so that's why we looked at it. We want to set it where people really
- Director of Public Grounds Brad Beer- 800 was accumulated now its 480.
- City Clerk Alicia Hidalgo- 960 was the old one.
- Director of HR Bruce Whittington- We tried getting those hours down for fulltime.
- Vice Mayor Martinez- We don't want to take away what people worked for.
- City Manager Cal Burke- We are not we are reserving it as well.
- Mayor Harden- okay I get it
- Vice Mayor Martinez- Well I've seen people taking off too then we are short staffed.
- Director of HR Bruce Whittington- I think people it was giving people the wrong sense of what was going to be happening.
- City Manager Cal Burke- FMLA is good for 3 months. This is a common-sense deal. Let's say he tony is a good employee if he needs off for 6 months we will. FMLA is just securing your job not guarantee pay. We were reviewing it and modifying it to fit everyone.
- City Manager Cal- this is something we can always edit and change and this is just
- Director of HR Bruce Whittington- We probably didn't make this move at the appropriate time but we are just trying to modify things and this does slow down the sick time. We don't want you to come to work sick if you really are. We have serval good employees that we are trying to.
- Director of Public Grounds Brad Beer- We have encouraged all to stay home if sick as long as it's not abused.
- Mayor Harden- Section 3-8 the safety this discussed the compensation. Should we have something like masks and gloves
- City Manager Cal Burke- we provide that like masks and gloves. We have hand sanitizer and everything like that. I forgot what the dollar figure is
- Director of Public Grounds Brad Beer- its 100 dollars for employees and we have people go get \$50 boots at Walmart but 6 months later they need new ones again. We don't require steel toe at all.
- Mayor Harden- another thing is Section 3-10 for tuition like benefit the city. The third line down says the employee has poor performance I say we should say more like based on previous evaluation instead its better wording. That way we have documentation of why you are not getting reimbursed. I think the old one was too specific and this one is general but there is still some stuff that should be more specific.
- Director of HR Bruce Whittington- Yes, we tried making it easier to work with. We will be editing it and making more updates. I'm not sure how you guys want to do that for.
- Vice Mayor Martinez - Could we have amendments?
- Director of HR Bruce Whittington- We can add it to the back of this.
- Mayor Harden - For the Commission sake can you state the changes that could affect the 10plus year employees?
- Director of HR Bruce Whittington- One of the biggest things is the access on the manual and having easy access to it.
- Vice Mayor Martinez- Everyone should have one as well.

- Commissioner Seigrist- There is a typo on page 41 it should say mask and it says make. Also, the be needs a "b".
- Commissioner Linenbroker- 4.5 is that going to change everything? Pretty much everything is set in stone but what if there are changes?
- City clerk Alicia Hidalgo- We did pass it as a resolution.
- Mayor Harden - We should have an open meeting like this for yearly amendments for updating. We could do a yearly review and any modifications can be made.
- Director of HR Bruce Whittington- We could.
- City Attorney Lynn Koehn- Can we just delete where it says November 16th? All of that could possibly be replaced. If you could have the first paragraph and first two lines. Commissioner Linenbroker is correct this has a date so it would be confusing.
- Commissioner Linenbroker- I just thought it was too date specific
- Director of HR Bruce Whittington- When would you want to review?
- Commissioner Linenbroker- March would work?
- Vice Mayor Martinez- When does the health stuff come in here?
- Director of HR Bruce Whittington- September I believe. Chris when we moved the health stuff to September but what month are we getting the data?
- Director of Finance Chris Ford - In April it's in time for the budget.
- City Attorney Lynn- no as long as we have an annual review.
- Director of HR Bruce- We would do the budget review and this review at the same time. We are trying to instead of the separate stuff. When we went through these different stuffs so we decided some maximize on pay out and accruals. Sick is on the low side but it is in the range. We are trying to put together both vacation time and sick time. We are thinking about doing next time.
- Director of Public Grounds Brad Beer- in that same sense if I leave the job today if you combine the two you are playing them for the sick time.
- Director of HR Bruce Whittington- Yes there will be limits
- City clerk Alicia Hidalgo- what about the extra time?
- Director of HR Bruce- we would have to look at it next year if we decide to do anything about it. I can't think of anything else.
- Mayor Harden- I would highly suggest to keep copies of the old policy manual.
- City Clerk Alicia - you should the old policy book and code book.
- Mayor Harden- Do you guys have more discussion?
- Director of HR Bruce Whittington- Did you see the watermark we can change that and we could modify it by yearly update.
- Mayor Harden - You could put the city logo.
- Director of HR Bruce Whittington- Yes, we can put a different water mark.
- Commissioner Seigrist- We can.
- Director of HR Bruce Whittington- It hasn't gone down a lot but we are having an adjustment to the rate at renewal. In April is when we meet for insurance so renewal meetings are in March.
- Vice Mayor Martinez- I like not being involved in your staff meetings I think it works fine.
- City Manager Cal Burke- Sometimes it's just curiosity to tell you guys to come in. just to have you involved. It's a 50/50.

- Vice Mayor Martinez - I don't want you guys thinking to
- City Clerk Alicia Hidalgo- We could
- City Attorney Lynn Koehn- Yes, we can do that.
- Mayor Harden - yes, I would like to be there but then we are not trying to pressure them. You can feel the tense of it. So back to the employee policy manual on the section when you guys adopt the employee book are you going to grandfather people violating this policy?
- Director of HR Bruce Whittington- We will research it and try to keep things in order.
- Mayor Harden- We will have unnecessary complaints we should just think about this before adopting completely the book. This policy should be in place everywhere.
- City Manager Cal- we do have family members that are really good employees.
- City Attorney Lynn Koehn- Do we have any employees that fall on page 58 paragraph 4.
- Director of HR Bruce Whittington- it depends on the family ill have to reread it to see if we can update it if the City Manager.
- City Attorney Lynn Koehn- Then you don't have a policy if you make an exception.
- Mayor Harden - Yes you can't make a rule if you can bend it. It has to be monitored very close. So, no relations allowed.
- City Attorney Lynn Koehn- I can't paragraph four should be looked at again. Let's say
- Mayor Harden - What if our cousins marry and then we become in laws would we
- City Attorney Lynn- if you're a department head I wouldn't want to
- Mayor Harden - if two employees get
- City Manager Cal Burke- No we don't not as of right now. We should possibly look at that.
- Director of HR Bruce Whittington- We would have to find out.
- City Attorney Lynn Koehn- We should take out the "become related" we should have a policy saying we are not allowing that to happen.
- Director of HR Bruce Whittington- Related by marriage would be like in laws.
- City Attorney Lynn Koehn- We are only strictly aiming for marriage or intimate relationship.
- Director of HR Bruce Whittington- Chain of command?
- Mayor Harden- If the superior is over serval department.
- City Attorney Lynn- That should be addressed by the supervisor.
- Director of HR Bruce- no nephews, cousins.
- Director of Finance Chris- A throwback to become related? What if a supervisor's parents marry an employee
- City Attorney Lynn- if that language was taken out in the event it if it cost conflicts internally then that would be a Cal and Bruce issue.
- Commissioner Linenbroker- so if
- Mayor Harden - For example if you have a bother working two different departments if city manager wants to have someone from his family members would still fall under Cal. Anything under Manager, directors and staff, we have to keep an eye out more on them.
- City Manager Cal Burke- We should look at the summer staff for that.
- City Attorney Lynn- That's an HR and Cal.

- Director of Public Grounds Brad Beer- On the immediate family deal can we cover it on funeral leave as well.
- Director of HR Bruce – it does.
- City Attorney Lynn- You can word it the same if you have too.
- City Clerk Alicia Hidalgo- I didn't really get to look at it yet we barely got it.
- Mayor Harden- Let's give employees to look at it and see if they have suggestion. We can have a meeting later or have it adopted depending it. Make sure employees are comfortable. Do we have any more discussion?

The meeting was adjourned by Mayor Harden.

Taylor Harden, Mayor

ATTEST:

Magaly Lopez, Deputy City Clerk

THE REGULAR MEETING OF THE LIBERAL CITY COMMISSION
February 9, 2021.

The regular meeting of the Liberal City Commission was held at 5:30 p.m. at City Hall located at 324 North Kansas on Tuesday, February 9, 2021.

Commission Present: Mayor Taylor Harden, Vice Mayor Tony Martinez, Chris Linenbroker, Connie Seigrist, and Ron Warren.

City Staff Present: City Manager Cal Burke, Finance Director Chris Ford, City Clerk Alicia Hidalgo, Deputy City Clerk Magaly Lopez, Director of Public Grounds Brad Beer, Chief of Police Bill Cutshall, Director of Economic Development Cindy Wallace, Building Director Kevin Kirk, and City Attorney Lynn Koehn.

Mayor Harden called the meeting to order. Deputy City Clerk read the roll call and declared a quorum present. The Pledge of Allegiance was recited, and Pastor Persephone gave the invocation.

1. Awards/Proclamations/Presentations.

- Mayor Harden: Tonight, we have an award for the City Clerk I will read a short summary from the page given. (reads from the letter from Athenians Leadership sociality.) Congratulations Alicia for your accomplishment.

2. Approval of Agenda.

Mayor Harden requested approval of the agenda.

Commissioner Warren moved to approve the agenda, as presented, with Commissioner Seigrist seconding the motion. The motion carried unanimously.

3. Approval of Minutes.

Commissioner Seigrist moved to approve the minutes of the January 26, 2021 regular meeting, as presented, with Commissioner Linenbroker seconding the motion. The motion carried unanimously.

4. Consent Agenda.

No items presented.

5. Ordinance 4550- An Ordinance Allowing Pit Bull Dogs in The Corporate City Limits of The City of Liberal, Kansas; Repealing and Replacing the Existing Ordinance to The Code of Ordinance of The City of Liberal, Kansas.

- Director of Building Kevin Kirk: Animal control is requesting to repeal Chapter 2 Article 4 animal control regulations. Municipalities across the state and country have realized breed specific bans are not the answer to vicious animal attacks. There are many laws against specific breeds, breed specific laws are not the answer. Other municipalities have started repealing dog specific bans are not the answer to vicious animal attacks. Some of the regulations include spaying or neutering anything with breeding the dog. The owner is responsible for things the dog does. The Building Department along with Animal Control is looking at rewording Article 3 Dogs and Cats. We are hoping to have a draft for Lynn by the end of February.

- City Attorney Lynn Koehn- Alicia when we recode a City code would we have to reflect that we repealed the original ordinance and what section.
 - City Clerk Alicia Hidalgo: I think we should.
 - City Attorney Lynn Koehn- The original ordinance referred to is Ordinance No. 3950 back in May 1999. However, when we recodify our ordinances into the Liberal City Code when it was remodified it was listed differently so we probably want to make sure we add into that Ordinance for discussion tonight resending Ordinance 3950 as well as Kevin do you know the code section? I believe it's Chapter 2 Article 4.
 - Mayor Harden - Would you like to like two separate motions?
 - City Attorney Lynn Koehn - No as long as it's in there, Alicia if you could edit that and mention it there would be fine. Kevin on Chapter 2 just make sure we reference the right portion because there is
 - Mayor Harden- While we are waiting on that we are looking at modifying our Vicious Animal Act to be more encumbering with the removal of the breed-specific ban in order to make sure we're still maintaining the proper safety standards for the community and making sure it includes all animals of all breeds. We'll be looking at implementing very soon changes to that act that will make it very clear cut and dry that no matter what type of animal it is, whether it's a parrot or turtle or a cat, if it bites a human being, there will be consequences as a result of this.
 - City Attorney Lynn Koehn- We need to add the language repealing Chapter 2 Article 4 of the Liberal City Code.
 - Vice Mayor Martinez - What do you mean any animal?
 - Mayor Harden- Yes, any animal at all doesn't matter what breed it is they will receive the same disciplinary action.
 - City Manager Cal Burke- There are exceptions of course if I break into your house and your dog attacks me it was protecting its territory.
 - Director of Building Kevin- If it is protecting his human or house then its exempt from it.
 - Mayor Harden- There will be changes to the vicious animal act.
- Commissioner Seigrist moved to approve Ordinance No. 4550 and Repeal Chapter 2 Animal control regulations Pit Bull ban Article 4 regulations as presented, with Commissioner Linenbrocker seconding the motion. The motion carried unanimously.*

6. Resolution No. 2349- 2021 Fee Schedule.

- City Clerk Alicia Hidalgo: Resolution is 2345 it authorizes the fee schedule for 2021. We do have one change on here on page C-9 under the court section the traffic fee is \$80 it was approved last year and for some reason wasn't put on there I do apologize. Mayor Harden we'll let you know we will keep working on this with COVID unfortunately we weren't able to get as much done as we needed to. We are planning to get together for October and December for changes being made for January 2022 that way you guys have it on time.
 - Mayor Harden- So for JP and others in the community that have reached out to multiple commissioners on this topic we have to renew entire sections of the code book in order to make the necessary modifications needed so the finalizations will be made before the end of 2021 that will bring the uniform code for all business licenses in the City of Liberal to \$100 uniformly with no special exclusions. It will be implemented in effect January 1st, 2022.
- Vice Mayor Martinez moved to approve Resolution No. 2349 as presented, with Commissioner Warren seconding the motion. The motion carried unanimously.*

7. Purchase of two utility vehicles- Cemetery.

• Director of Public Grounds Brad Beer- We are requesting the purchase of Truckster XD from KGT replacing four that we bought in 2008. We did get two bids from two companies and our local bidders were given the opportunity to submit quotes, but declined because they don't have access to the vehicle. The item was budgeted but the quotes came in higher than the budgeted amount so we are requesting to take the additional funds needed to purchase the vehicle from the Cemetery Perpetual Fund. The one we currently have at the cemetery will be transferred to the parks department.

• Vice Mayor Martinez: So, this is a dump?

• Director of Public Grounds Brad Beer- Yes sir.

• Vice Mayor Martinez- The other one isn't a dump.

• Director of Public Grounds- It's not but it holds about 1800 pounds of dirt and this one will hold 3500 pounds it'll make things easier. So, for this time of weather when it's cold we can haul 3 loads instead of 6.

• Mayor Harden - So local businesses were given the opportunity to bid and did not because of lack of equipment.

• Director of Public Grounds Brad Beer- Absolutely. I did let them know with time to see if they could get it because sometimes they are able to order it.

Commissioner Linenbroker moved to approve the purchase the Truckster XD from Kansas Golf & Turf in the amount of \$23,067.00 as presented, with Commissioner Warren seconding the motion. The motion carried unanimously.

• Vice Mayor Martinez- We should mention it was a bit over budget.

• Mayor Harden- Just to state this was a budgeted item but since it was a bit over the funds we are going to take the remaining funds out of the perpetual fund.

8. Purchase of two used Kansas Highway Patrol Vehicles.

• Chief of Police Bill Cutshall: 2020 We were unable to purchase a vehicle for financial reasons which made us short to give all officers a vehicle. We started looking for vehicles and we found a brand new 2021 car but with no sirens or lights and they price was pretty high we continued to look, so we ran across two high way patrols 2019 Chargers all-wheel drive with approximate 49k to 50k miles and they are selling them for a combination \$44,200 these come with lights and sirens already. So, we are asking commission approval to purchase.

• City Manager Cal Burke: We are pretty much getting a price of one for two.

• Vice Mayor Martinez- Plus you don't have to worry about setting them up.

• Chief of Police Bill Cutshall- Not having to worry about sirens or lights is our biggest savings.

• Commissioner Seigrist- You budgeted 40k and the total is 44,200 where are you getting the \$4,200?

• Director of Finance Chris Ford: Commissioner the \$40,000 the way that works is we transfer the Police Department Reserve fund there is other funds within the reserve fund for the initial amount that actually comes up for the remaining.

• Commissioner Seigrist- Okay thank you Chris.

Vice Mayor Martinez moved to approve the purchase of two used Kansas Highway Patrol Cars in the amount of \$44,200.00 as presented, with Mayor Harden seconding the motion. The motion carried unanimously.

9. Liberal Website Redo.

- Director of Economic Development Cindy Wallace- I'm just updating you all I'm getting a request for quotes for Economic Development we have currently choose liberal.com I don't know when it was made I have made some changes this year but it's to the point where I can't reconfigure it, it just needs completely changed its outdated and I've done everything I can to bring it up to date. I got so far 2 quotes and the company we have right now currently gave me a quote and they all have a sheet of what I want done but we need to open it up to see if there are any local people that could also do websites that is economic development friendly. 90% of our site selectors and people who are looking to do business with your community do look at your website first so it is a front for marketing. I'm sending out a notice it will be on our Facebook page it'll be on newspaper and twitter also through the Kansas Rural Economic Alliance to see what other communities are using so I can contact them. I have a deadline of March 1st and they are all in the budget I have made.
- Mayor Harden- Thank you for being proactive sounds great.
- Director of Economic Development Cindy Wallace- I will let you know what we end up doing, Thank you.

10. Board Reappointment.

Commissioner Seigrist moved to reappoint Judy Chance to serve a second term on the library board beginning January 2021 and end January 2025 as presented, with Commissioner Warren seconding the motion. The motion carried unanimously.

11. Water Department Computer Purchase

- City Manager Cal Burke- We have had numerous computer problems and I've talked to Jose and every time he loses the internet he's figured it cost him about \$1k to \$2k of extra labor and stuff like that. The other problem is that our current carrier we pay them for 100mb and we have gotten less than 20 so what were looking at is getting two for that building but it is not part of their contract or grant they would have to put this in their contract and it would cost us about \$64k to \$65k and I've talked to both Tim and Taylor and our provider they have come up with putting this computer back up on Grant and it would be hard wired to the system so that any event we did have a failure we would only have to dispatch one to one building instead of 3. We would manually be controlling everything. From my understanding from Tim and Taylor even when we get the fiber in there, there is this redundancy so there is no system that is fail safe but this would always be on Grant in the building and so even if we have an issue at the end of town we can have that guy just go in there and fix it. Staff is requesting of purchase of this for the amount of \$7,063.00 I believe Tim will install it.
- Mayor Harden- For public and commission the price for this is actually very reasonable compared to what we would pay with others. The main expense on this is the software we have to use on this and the set up and configuration on this product so as far as the soft ware on this and the backup battery with monitors is in line with the costs.

Commissioner Warren moved to approve the purchase for Water Department Computer from Micro-Comm in the amount of \$7,063.00 as presented, with Commissioner Linenbroker seconding the motion. The motion carried unanimously.

12. Liberal Ball Fields Sidewalk.

- City Manager Cal Burke- We had four bidders one of them was disqualified because the bid bond was not adequate.
- Gary Geist Construction Inspector- I'm here to answer any questions you might have. The bid opening was Jan 28th. Like Cal said we had four bidders and one was not accepted. The next lowest was WK Construction LLC for \$109,623.50.
- Vice Mayor Martinez- Who was our local bidder?
- Gary Geist Construction Inspector - \$117,353.99.
- Mayor Harden: You have experience with WK Construction?
- Gary Geist Construction Inspector: Yes
- Mayor Harden: So, they'll be able to do the bid as projected?
- Gary Geist Construction Inspector: Yes, I have had projects with them and have had no problem for example the Conestoga Ethanol Plant and Meade County EMS shop and the Seward county shop by Tucker Road.
- Vice Mayor Martinez- So what is the rule on the amount?
- City Attorney Lynn Koehn: There is no rule on that. Its more like a recommendation that we have but even then, the Commission can award the bid to any of these entities. Most go based off the lowest bid or the local bid or whoever has done jobs for the City before.
- City Manager Cal Burke- The only time we are restricted to taking the low bond is when it's a federal fund.
- Mayor Harden- This is a very interesting one just because they are pretty much very local and very close and most come to shop spend their money here. Once again though we do try to do business as much as we can in the City Limits. \$7,730.49 is the difference between WK Construction and French Construction.
- City Manager Cal Burke- Karen said its cover with the fund either way.
- Mayor Harden: Do we have any discussion on the topic? Do we have a motion for who takes the award? Are we pushing this until next meeting? So, what at between WK Construction LLC from Meade and French Construction LLC from Liberal and the other one is further out of town and the last one got disqualified. It's up to the Commission what we choose.
- City Manager Cal: We would like to move on it so we would like to get this started soon.
- Commissioner Linenbroker: Where is the sidewalk by?
- City Manager Cal Burke: Starts at 15th and it completes the loop down there at the Cal Ripken Fields its wide enough for walking or biking as well. A lot of the money came from KDOT.
- Director of Public Grounds Brad Beer- It goes around the soccer complex and 15th street so kind of a loop around town pretty much.
- Director of Finance Chris Ford: Are we limited to the KDOT funding?
- City Manager Cal Manager: No, it's a matching grant it's not a revolving fund loan. It's open for you guys to consider.
- Mayor Harden: Its hard we do want to support the local businesses but we also have other low bids to look at. It's a win win there is no wrong action to take here. It comes down to who we view as a better investment for the funds to be spent. I have zero doubt that either of these companies will do a great job. I think the only other thing you can compare net worthy is the days to substantial completion and days to final completion so with WK Construction they are confident that within in a month they can have to substantial completion and 40 to final completion. At French construction they had 80 days to substantial completion and 90 to final completion.

- City Manager Cal Burke- That's where I would challenge their 30 days I mean look outside right now. They're not counting weather conditions.
- Gary Geist Construction Inspector: They are wanting to start in April I know that.
- Vice Mayor Martinez- I would like to award our local bidder French Construction just because they are local.
- City Manager Cal Burke- I do know when you spend your money locally it goes around I'm not sure how many times. Does anyone know that method?
- Director of Economic Development Cindy Wallace- 7 times.
- City Manager Cal Burke- Thank you. It goes around 7 times in the community.
Vice Mayor Martinez moved to award the bid to French Construction LLC in the amount of \$117,353.99 as presented, with Commissioner Seigrist seconding the motion. The motion carried by a 4 to 1 vote with Commissioner Warren abstaining.
- Gary Geist Construction Inspector: 2nd Street project is coming up we want to have precon meeting with the contractors on the 22nd of February and we think in city hall conference room. We also want to do a community meeting with the residents on that street and show them the plans that way they know what the phases so they know how things will work. I want to get the Girls Scout building so we could still to spread out. Just to give them of a heads up.
- Mayor Harden- I don't see a problem with it at all and it's a City Project. Thank you for the information Gary.

13. CITY STAFF

- Director of Grounds Brad Beer: A couple updated if you have been by the Cal Ripken Fields playground we have done hand railing along the playground and parking lot all of that is getting done. Also, the new community building we will be working on which would be at Blue Bonnet the old Rec center we are doing a total remodeling job we've been working on that the last few weeks. We have also striped the new commission chambers and are now working on flooring for those projects. We have also had issues with Semis coming off Jackson Drive and doing a U turn on our ball parking lot and tearing it up so we are working on building arch ways on there and we are putting gates on fields specifically for when it rains to keep people out and not have them track mud all over the place tearing it up. We will only have them locked when there are reasons to keep public out. This community building will be very nice for the public to get rented and it'll be most likely to be the most rented building once we get it up and running.

14. CITY MANAGER REPORT

- City Manager Burke: Just want to let everyone know that Street Department is trying to keep the intersection clean. The salt doesn't work in under freezing weather we are doing the best we can please drive safely. We tried putting out sand but that blew away. I want to thank the staff for hanging in there.

15. Items from Citizens.

Mayor Harden read the rules of the Commission and requested members of the audience approach the podium to address the Commission. (No items were presented.)

16. Items from Groups.

Mayor Harden read the rules of the Commission and requested members of the audience approach the podium to address the Commission. (No items were presented.)

17. ITEMS FROM COMMISSIONERS.

- Mayor Harden- Make sure you drive safely and please don't drive quickly be smart and I want to Congratulate Alicia with what she achieved and I appreciate everything you do. Street Department keep working hard they work hard. Good job to all City employees as well.
- City Clerk Alicia Hidalgo- Thanks for allowing me to do this.
- Vice Mayor Martinez- Good job on what we have done with everything. Jimmy Garcia's birthday today so Happy Birthday.
- Commissioner Warren- Nothing from me tonight.
- Commissioner Seigrist- I don't have much I just want to clear up the fact that the new commission meeting room is at the library in the south middle school we are not tearing up the Library down town to build a meeting room. Just to clarify.
- Commissioner Linenbroker- Stay Warm guys.

18. VOUCHERS

\$724,520.27 dated December 8, 2020.

*Commissioner Warren moved to approve the vouchers in the amount of \$724,520.27, as presented, with Commissioner Seigrist seconding the motion.
The motion carried unanimously.*

The meeting was adjourned by Mayor Harden.

Taylor Harden, Mayor

ATTEST:

Magaly Lopez, Deputy City Clerk

AIRPORT LEASE

THIS AGREEMENT, entered into this 1st day of February, 2021, by and between the City of Liberal ("Lessor") and Papa's Properties, LLC, P.O. Box 1385, Liberal, KS 67905-1385 626-5211 ("Lessee").

WHEREAS, Lessor is the owner of the following described premises situated on the Liberal Mid-America Regional Airport, Seward County, Kansas:

**Part of Lots 2 and 3, Block 14
Lots 2 and 3 = 225' x 242' = 54,450 square feet**

WHEREAS, the Lessee desires to occupy and lease the above described premises.

NOW, THEREFORE, it is agreed between the parties hereto, as follows:

1. Leased Premises and Purposes. Lessor leases to Lessee and Lessee rents from Lessor the above described premises located at the Liberal Mid-America Regional Airport for the purpose of providing the Lessor with revenue to support the Liberal Mid-America Regional Airport, and such use by Lessee of the above described premises shall at all times be compatible with airport operations.

2. Term. The term of this Lease is for **One (1) Year** beginning on **February 1, 2021**. There is no option to renew this Agreement, and any hold over will be considered a month to month lease on the same terms as set forth herein. This Lease shall automatically terminate without further obligation by either party if Lessor's right to possession of said airport properties terminates in any way.

3. Rental. Lessee agrees to pay Lessor **\$2,384.91 per year in advance or \$198.74 per month**. Rental payments are due on the tenth day of each month, and will be considered late after the eleventh day of each month, incurring a late charge beginning on the eleventh day of each month amounting to 10% of the monthly rent.

4. Security Deposit. No security deposit is required under this lease.

5. Restrictions on Use. This Lease is made subject to and the Lessee agrees to comply with and be bound by the following:

a. The terms and conditions under which Lessor holds possession of the airport and airport properties and the terms and conditions contained in the Quitclaim Deed by which the Lessor acquired title to the airport;

Lessee Initials _____

Liberal / Seward County Emergency Communications Board
Board Meeting 01/12/2021 1330
Seward County Sheriff's Office Training Room

Present Board Members: Andrew Barkley, Kelly Kirk, Gene Ward, John Ralston Greg Standard

- Chairman, John Ralston, called meeting to order at 1334.
- Greg made a motion to amend the agenda to add reorganization of the board with election of Chair and Vice Chair. Second by Andrew. Motion carried 5-0 with two board members absent.
- Greg made a motion to approve the minutes of the October 16, 2020 meeting. Second by Kelly. Motion passes 5-0.

New Business:

Board reorganization

Greg made a motion to nominate Kelly Kirk for Chairman of Communications Board. Second by Andrew. Motion carries 4-0 with Kelly abstaining.

John made a motion to nominate Gene Ward as Vice Chairman of the Communications Board. Second by Greg. Motion carried 4-0 with Gene abstaining.

AT&T FirstNet Presentation

Chris McCleod, with AT&T, spoke with the board via speaker phone as the computer stopped responding with the connection originally planned. He asked if the board had anything specific, they needed to go over, or if they just wanted a general update. It was decided a general update would be fine as most were familiar with FirstNet.

Greg advised he has one phone and 3 hot spots on the FirstNet – he has some issues that appear to may have been caused by another person previously having the number he has. John is having issues with his account on his phone not accepting his sign in. Chris advised he would see if he could get John some help with that.

Chris advised with FirstNet Primary:

- Your cell would have priority cell towers and network – it could bump someone from the tower
- City of Liberal should have good coverage now along with the county area.
- 4 Primary towers covering city and 15 small cells around city installed
- 5G rolling out with FirstNet later this year
- Kansas coverage was very challenged, but AT&T recently spent \$700,000,000 building out coverage in areas where it was challenged

- Seward County Looks good except for the Southeast corner
- Fastest network in the country
- Air Cards for MDTs can be on the FirstNet plan
- Works on all network capable devices
- Pricing competitive at \$39.99 month
- Unlimited talk / text / data plus priority and preemption with phones
- \$40.00 per month on laptop and Night Hawk
- No throttling of data
- Agency paid products/account but can have personal accounts paid by employees
- Agency paid has ability to call in “deployable” – truck with cell cite, drones, etc.
- FBI moving over to FirstNet as well

Chris advised they would like to be a part of the hardware updates with updates with FirstNet – phones, sim cards, connectivity etc. John asked about vehicle connectivity, what seems to work well. Chris advised cradle point sierra wireless is what a lot of agencies are using. Chris advised the caveat with that is that a sim card can be used as a hot spot in a computer. The others mentioned are used as a trunk mounted type situation.

There was conversation how some had FirstNet in the past and it just didn’t work well and those who had it dropped it within months. Verizon and T-Mobile say they will price match... It is not known how long the current pricing stays. There was also conversation regarding the number of different representatives there have been with AT&T in a relatively short amount of time and the quality of their customer service.

It was discussed maybe the Sheriff’s Office and the Police Department may want to try a few air cards to see how they work with the MDT connections and cost difference with what they are currently using.

Members Comments

Greg needed to jump ahead to make another meeting. He advised we need to get all the legacy radios together so we can start getting them dispersed to those who need them.

Mobile Radio also needs to be contacted to finish programming.

Gene advised we’d talked about storing radios at the last meeting. Nobody has come to him with radios. He just wanted to make sure that is what we are still doing and remind everyone.

John asked if anyone else is having problems with batteries. Kelly advised he is. John stated his are lasting less than 12 hours, some only 30 minutes and he has had 2 that have failed. They flash red in the charger. Kelly stated some of his are lasting less than 12 hours as well. Gene stated nobody has come to him with any problems. Bob advised he would replace them – he mailed 4 to John, but also sent a bill for them. Greg advised the batteries were warrantied for at least a year. John stated warranty started when radios were programmed. Greg stated if there is any concern, to get them warrantied as soon as possible.

Greg said the other item he had is he would like to make a motion to recognize Bill McBryde for his work and dedication to Seward County communications over the years and we can have a plaque made, he'd take it out of his budget – he'd just like to see if there was a second. John, and many others, seconded that motion. Motion carried 5-0

Back to agenda of New Business

What 3 Words

Pam advised she wanted to introduce the board to the website and app of What3Words or www.what3words.com . It is a website / app that is relatively new to us and she would like to see it used further in our daily dispatching to units and in the community.

Instead of trying to share confusing addresses or directions, we would be able to share 3 words with responders, they could put those words into their phone app or computer web site and see on a map exactly where we are sending them. It would be perfect for school campuses, SWMC and their new offices, National Beef, county addresses, the middle of a field somewhere with no address and even the Turpin area where they don't have actual addresses.

Pam used a college football stadium as an example – an address can be given at any time. Responders get to the location then very detailed directions must be given to get to an emergency location. With 3 simple words given, responders can see a picture on a map, with a parking space size, exactly where they are needed. If they can't tell by the picture where to go, all they have to do is click on the arrow in the app and directions pop up in the map application of their device.

Pam advised the 911 system shows "what3words" on their calls. They would be able to give that information to responders to difficult locations. She went on to say if people were not able to describe their location, a dispatcher could advise them to download the cell phone application, find their 3-word location and we would be able to send units to them. The 3 words are much easier to copy and try to give to somebody than latitude and longitude.

Pam went on to say that she would eventually like to visit with the school administration and potentially industries in the community to introduce them to the information as well. It can be used as a personal tool or a work tool for anyone in the community or World-wide. Every 3 square meters in the World has its own 3-word "address" with this system.

Pam concluded that she would like to push it in the community if the board agrees. It was consensus that it is a good idea and board members would show it to their people. Pam stated she would send an email with a link of how it can be used in a disaster. She also stated it would be a great tool in mutual aid response when other agencies may respond here or us to them.

**CITY OF LIBERAL
CITY COMMISSION MEETING
February 23, 2021
AGENDA ITEM # 5**

To: Mayor Taylor Harden
Vice Mayor Tony Martinez
Commissioner Chris Linenbroker
Commissioner Connie Seigrist
Commissioner Ron Warren

Date: February 12, 2021

From: Karen LaFreniere, Grant Director

SUBJECT: CDBG-CV Business Application

The City of Liberal has received three applications for CDBG-CV funds, as follows:

1. Fairfield Inn in the amount of \$30,000;
2. Hampton Inn in the amount of \$32,000; and
3. Ranch Motel in the amount of \$15,515

Staff requests approval of the applications, authorization to execute grant report documents and submit request for payment to Department of Commerce. If awarded to these 3 businesses, this will deplete the CDBG-Covid grant funds.

CDBG GRANT REPORT

Date: February 23, 2021

Applicant: Fairfield Inn

Amount Requested: \$100,000

Amount Approved: \$30,000

Number of Full-time Equivalent (FTE) jobs retained: 14

Application meets Low-to-Moderate (LMI) Requirements: ☒ Yes ☐ No

Note: if the application does not meet the LMI Requirement, it does not qualify for CDBG funding.

DETERMINATION OF LEVEL OF REVIEW

ENVIRONMENTAL REVIEW RECORD (ERR)

Grantee Name & Project Number: City of Liberal, 20-CV-038

Project Location: Fairfield Inn, 501 Hotel Drive, Liberal, KS 67901

Project Description: Grant Proceeds for working capital for an existing business. Funds will be used for payroll, utilities, inventory and operating expenses to retain 14 jobs which meets the LMI requirement.

The subject project has been reviewed pursuant to HUD regulations 24 CFR Part 58, "Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities," and the following determination with respect to the project is made:

- ☐ Exempt from NEPA review requirements per 24 CFR 58.34(a)(____)
- ☒ Categorical Exclusion NOT Subject to §58.5 authorities per 24 CFR 58.35(b)(3)
- ☐ Categorical Exclusion SUBJECT to §58.5 authorities per 24 CFR 58.35(a)(____)
- ☐ An Environmental Assessment (EA) is required to be performed.
- ☐ An Environmental Impact Statement (EIS) is required to be performed.

The ERR (see §58.38) must contain all the environmental review documents, public notices and written determinations or environmental findings required by Part 58 as evidence of review, decision making and actions pertaining to a particular project. Include additional information including checklists, studies, analyses and documentation as appropriate.

February 23, 2021
AGENDA ITEM # 6**

To: Mayor Taylor Harden
Vice Mayor Tony Martinez
Commissioner Chris Linenbroker
Commissioner Connie Seigrist
Commissioner Ron Warren

Date: February 12, 2021

From: Karen LaFreniere, Grant Director

SUBJECT: Bus Camera Bid Award

The original bid that was accepted from Safety Vision did not include supporting cameras, as requested in the bid packet. The project was rebid. The total project budget is \$30,000.

Two bids were received; the bid from Safety Vision was received after the 11:00 cutoff time. The bid was received at 11:31. The Safe Fleet bid was hand delivered at 9:30; Safe Fleet had also overnighted their bid and it was not received prior to bid opening. There was a notification from the delivery company that delivery was delayed because of weather. Complete bid packets are available for Commission review.

1. Safe Fleet in the amount of \$33,198.00
2. Safety Vision in the amount of \$29,156.63.

Staff defers to the City Commission regarding whether or not to allow the Safety Vision bid to be accepted.

City of Liberal
City Commission Meeting
Agenda Item # 8
February 23, 2021

To: Mayor Taylor Harden
Vice-Mayor Tony Martinez
Commissioner Connie Seigrist
Commissioner Chris Linenbroker
Commissioner Ron Warren

From: Matt Quint, Liberal Recreation Department
Date: February 5, 2021
RE: Indoor Golf & Interactive Sports Simulator/Shooting Sports Simulator

The Recreation Department is looking to bring new and exciting activities to our new location. It has been a goal of the Department to add a golf simulator that can also be used for multiple sports. The golf simulator will have over 12 professional Golf courses, with Trutrack availabilities. Interactive sports include: Rally Baseball, Slap Shot Hockey, Breakaway Soccer, and Foot Golf. The cost for the golf simulator is \$18,495.00. To add the Interactive sports its an additional \$7,495.00 plus shipping.

With the price of ammo being so expensive we plan on offering an alternative option. An indoor shooting range would give patrons the actual experience of using a firearm without firing a live round. The shooting simulator has target practice, 6 timed outdoor events, Zombie hunt, Wild West hunt, and many more scenarios. The cost of the shooting sport simulator is \$14,950 plus shipping. This software has several additional hunting scenarios. We plan on looking into the additional hunting scenarios at a future date.

Staff recommends purchasing one golf simulator and one shooting simulator from Sports Entertainment Specialist for the price of \$42,150.

- a. Accept donation from National Beef for \$50,000
- b. Purchase two simulators from Sports Entertainment Specialist for \$42,150

Manufacturer of the World's most advanced Sports Simulator

Packages as at March 30th 2020

Dollar Trade Price List

Applicable taxes, duties and brokerage fees are additional. Duty-free to U.S. per NAFTA; other countries variant. Quotation valid for thirty days. Client is responsible for all pre-wire, electrical, and hard-wired internet installation. Turf installation requires professional carpet installer. Client may choose to hire their own installer or request that HD Golf source a local installer and provide cost quote to client for approval in advance; adhesive glue to be provided by client. Shipping quotes include international brokerage fees, level of service and special requirements per client specifications

TERMS & CONDITIONS

1. PAYMENT

Buyer shall make full payment for the goods at the time of shipping notification. Primary method of payment via Wire Transfer. Cheques to be sent via courier as client responsibility. Credit card payments accepted (VISA or Mastercard) - convenience fee to be applied.

2. RECEIPT CONSTRUED AS DELIVERY

Goods shall be deemed received by buyer when delivered to buyer at the shipping address specified herein.

3. TITLE

Buyer agrees that the goods remain the property of Interactive Sports Technologies Inc. until payment is made in full.

4. RISK OF LOSS

The risk of loss from any casualty to the goods, regardless of the cause, shall be on seller until the goods have been received by buyer. The buyer is responsible for securing and insuring the goods following delivery. If the goods are lost, damaged, stolen or destroyed following delivery, the buyer is responsible for all outstanding payment amounts.

5. RIGHT OF INSPECTION

Buyer shall have the right to inspect the goods on arrival and, within two(2) business days after delivery, buyer must give notice to seller of any claim for damages on account of condition, quality or grade of the goods, and buyer must specify the basis of the claim of buyer in detail. The failure of buyer to comply with these conditions shall constitute irrevocable acceptance of the goods by buyer.

All of the above terms & conditions are agreed to on this _____ day of _____, 2020

FROM: Skeety Poulton, Deputy Chief

SUBJECT: Emergency Repairs – Airport Fire Station Garage Doors

DATE: February 19, 2021

We have been having difficulties maintaining a couple of garage doors located at our Airport Fire Station for several years now. We believe the doors and openers are original to the building that was built in 1979. Recently, one of our doors completely failed and fell to the closed position, busting all three windows, springs, and damaging the opener mechanism. This is not the first time that this type of failure has happened. This door has been non-functional now for approximately 2 weeks. The door on the other side of the bay has also become unreliable in opening all of the time when needed.

After having a local company come to look at the doors, they stated that some parts are no longer available and it was their recommendation to replace both doors and openers with modern units that can be repaired and have parts available, if needed. These doors have become a safety issue with employees and also could delay response if we can not immediately get our apparatus out. We sought a quote from another local company and never received a response back from them.

Staff Recommendation: To replace both garage doors and openers immediately, due to safety and response issues. Southwest Glass and Door was the only quote that was submitted. Total cost of the repairs is \$8800. Funds to come from the Airport 501-4950-495.40-31 fund (Repair/Maintenance Building).

U.S. 83 overpass repair to begin in Seward County

Crews are expected to begin repairs on the U.S. 83 overpass in Seward County on Monday, March 1, according to the Kansas Department of Transportation. The project will replace expansion joints and repair approach panels at both ends of the overpass.

Traffic will be reduced to one lane controlled by temporary traffic signals at both ends of the overpass during the project.

PCI Roads, LLC of Topeka is the contractor on this \$450,000 project, which is expected to be completed in May, weather permitting.

For more information on this project, contact Larry Meyer, Area Construction Manager, at (620) 384-7821, or Lisa Knoll, KDOT District 6 Public Affairs Manager, at (620) 260-6397.

Memo

To: Chief Cutshall
From: Lt. West
cc: Name
Date: 02042021
Re: 21PD01578 House Fire

Chief Cutshall,

On 02032021 at 1933 hours, The Liberal Police Department and Liberal Fire Department were dispatched to a house fire at 410 S. Cain.

MPO Hampton arrived on scene at 1934 hours. He spoke with residents who had already exited the house and learned that a one-year old child was still in the residence. MPO Hampton could hear the baby in the house crying. MPO Hampton entered the residence that was fire and was filled with dense smoke.

While MPO Hampton was in the house, Sgt. Nieves arrived on scene and entered the residence to assist in searching for the baby. Sgt. Nieves located a door near to where he could hear the baby crying and kicked the door open. He located the baby in a crib. Sgt. Nieves and MPO Hampton exited the residence and handed the baby off to Seward County EMS who transported the baby to SWMC for treatment.

Sgt. Nieves and MPO Hampton's actions are to be commended. Their courage and quick response undoubtedly saved the life of a child. They placed their life in harms way to save the life of another. This act of sacrifice is essence of what it means to be a public servant, and a role model of the Liberal Police Department.

Date: 02/03/2021
Re: 21PD01450/ Citizen's Awards

Gentlemen,

On Sunday, 01/31/2021, officers received a report of a female who had jumped from a vehicle and got into another vehicle. The vehicle the female had exited began chasing the vehicle the female entered. After officers caught up to one vehicle, it was learned the female had been badly beaten and choked and she was rushed to SWMC. The suspect was apprehended a short time later and he was ultimately charged with attempted murder and aggravated assault.

The first reporting party on this call, Cerisse Smith, followed both vehicles and stayed on the phone with Communications, providing directions of travel and updated location details. Cerisse gave an excellent description of the suspect vehicle and stayed as close as she could to the vehicles, all while relaying information to dispatch. Cerisse showed great calmness in an extremely dangerous situation.

The driver of the vehicle the female jumped into, Luis Efrain Lopez, allowed a complete stranger into his vehicle because he could tell she needed help. Luis did not hesitate and when he realized he was now being chased, he did everything in his power to evade the attacker. Luis put his own safety on the backburner to insure the safety of a complete stranger. Luis' selfless actions undoubtedly saved this young woman's life.

Both of these individuals placed themselves in great peril to save the life of a complete stranger. I am recommending both Cerisse Smith and Luis Lopez be presented the Citizen's Award of Valor for their heroic acts. As a department focused on community relations, we would be remiss to not take this opportunity to honor these citizens that have done our community proud.

Sincerely, Jacob Hampton.
